

International session vocalist and live performer with a versatile jazz, soul and pop repertoire.

Ashley Simone - Session Vocalist & Performer Ashley's powerful and distinctive voice has seen her performing internationally from Dubai, France, Beijing and throughout her birthplace of London

Her vocal versatility and the honing of her craft has allowed her to perform a wide range of genres which best lends itself to jazz, soul and pop. Her on stage persona is original and recognizable thanks to her electric performance style and dance ability.

Whether she is in studio setting, demoing for top producers, or creating the atmosphere for private events, she is a sought-after vocalist who brings a one of a kind presence to the spotlight, which has seen her gigging at iconic venues such as Ronnie Scotts, The Kensington Hotel and many more.
