

VERSATILE LIVE PARTY BAND

COUNTERFLOW

World-class musicianship, powerful vocals and international experience

A HIGH-DEMAND LIVE BAND

Since Counterflow burst onto the scene, they have fast become one of the most in-demand bands on the circuit, averaging over 200 gigs per year. With world-class musicians, stunning lead vocals and a wealth of experience performing at weddings and corporate engagements in the UK and internationally, the band delivers a polished and dependable live experience.

VERSATILITY AT THE CORE

Their strength lies in versatility. Counterflow can move confidently from classic soul and Motown to contemporary rock, pop and chart material, adapting the character of the show to suit an elegant event or a full-energy rock and roll celebration. Their lead vocalist brings an impressive range, supported by strong vocals and musicianship throughout the band.

FLEXIBLE LINE-UPS

The signature format is a five-piece band, with the option to add a horn section. Counterflow can also perform as a duo, trio or four-piece for smaller events. The group is experienced in Rockaoke performances as well, with the lead singer also acting as compere and a dedicated repertoire prepared for that format.
