

DI FRANCO

SINGER & GUITARRIST

Hello!

My name is **Diego Franco**, and music has been a part of my life since I was born. Coming from a family of musicians, I was immersed in a musical environment from a young age, and I discovered my passion for singing and playing instruments.

Professionally, I have been involved in the music industry for the past 24 years. I started my journey at a very young age, starting at eleven years old. I have recorded albums and lent my vocals to various studios. **Along this path, I also learned to play the guitar and began performing at hotels and resorts in 2007, continuing to do so until now.**

Additionally, I have pursued a career as a music producer, working with artists across different genres. It has been an incredible experience to collaborate and record with talented musicians in a wide range of musical styles.

I am truly grateful for the opportunities music has given me and the joy it brings to my life. **I look forward to continuing to sing and share my passion for music with audiences around the world.**

Thank you for taking the time to learn a little bit about my musical journey. If you have any further questions or would like to know more, please don't hesitate to reach out.
