

# **FREDDIE JAMES PROJECT**

**Freddie James Project** have been together for twelve years now. The group was founded in Montreal, the six band members come from different musical experiences.

**Freddie James Project**.has been dazzling the world over with their smooth singing styles, boundless energy, and the ability to virtually hold a crowd in the palm of their hands.

The band has been touring throughout Asia and the middle East as well as the United States and Canada, and have accepted invitations to perform for special events.

When you attend a performance, you feel all the energy that they releases.
