HISTERESIS | HAVANA, CUBA | OFFICIAL BIOGRAPHY

Histeresis is a band from Havana, Cuba, formed by six professional musicians with more than five years of experience in the world of entertainment.

With a fresh and youthful image, the quality and experience of the band have been well received by visitors to the nightclubs, bars and hotels where they have worked.

Thanks to the group's adaptability and creativity, the format can be diversified for parties, events and other shows. The band's versatility and the musical and artistic abilities of its members allow it to perform a wide live repertoire ranging from great classics to current music.

The set list can also include acoustic and instrumental versions. The group states that it has the legal documents required to begin professional negotiations.
