

# POKER OF ACES

*High-Energy Rock Built for the Stage*

## BAND PROFILE

Poker of Aces is a four-piece rock band known for explosive live performances, powerful guitar work, soaring vocals and a rhythm section built to move an audience. Drawing from both classic and modern rock, the group delivers a bold, accessible sound with the energy, emotion and stage presence expected from a first-class live act.

*A powerful live rock experience defined by musicianship, chemistry and undeniable stage energy.*

Fronted by Gaby Tan, the band is driven by a commanding lead voice capable of moving from melodic passages to powerful, high-impact rock vocals. Guitarist Mike Bruno brings precision, tone and showmanship to every performance, while bassist John Daunais and drummer Marc Dupuis provide the solid, energetic foundation that keeps the music tight and the crowd engaged.

The chemistry between the four musicians is immediately apparent. Each member brings a distinct musical personality to the stage, yet the band performs as a unified and well-balanced ensemble. Their shows combine strong musicianship with natural charisma, creating an atmosphere that feels both professional and spontaneous.

Poker of Aces has developed a growing audience through live appearances, festival performances and an active online presence. Their repertoire and original direction reflect a wide range of rock influences, moving comfortably between driving anthems, melodic hooks and emotionally charged material.

The band is also preparing a four-track EP that highlights its signature blend of energy and emotion while remaining firmly rooted in a classic rock foundation. Whether performing in an intimate club, at a festival or on a large event stage, Poker of Aces delivers a polished, powerful and memorable live experience.
