

All the way
All of me
All of you
Autumn leaves
Autumn serenade
Autumn in New York
A foggy day
Alone together
Anything goes
All the things you are
A fine romance
Again
Ain't she sweet
All my tomorrows
All or nothing at all
All too soon
Almost like being in love
April in paris
At long last love
At last
Aint misbehavin'
An evening in roma

Baubles bangles and
beads
Be careful it's my heart
Beautiful love
Best is yet to come
Between the devil and the
deep blue sea
Beyond the sea
Bidin my time
Blame it on my youth
Blue skies
Blue moon
Born to be Blue
Body and soul
But not for me
But beautiful
Bye Bye Blackbird

Call me
Call me irresponsible
Can't we be friends

Change partners
Cheek to cheek
Chicago
Close your eyes
Come fly with me
Comes love
Cottage for sale
Corcovado
Crazy rhythm
Cry me a river

Dancing in the dark
Darn that dream
Day by day
Day in day out
Devil may care
Don't blame me
Don't fence me in
Don't worry bout me
Dream
Dream a little Dream of me

East of the sun
Easy living
Easy to love
Embraceable you
End of a love affair
Every time we say
goodbye

Falling in love again
Fever
Fly me to the moon
For all we know

Georgia on my mind
Get out of town
Girl from Ipanema
Glad to be unhappy

Have you met Miss Jones?
Here's that rainy day
How about you
How high the moon

How deep is the ocean
How insensitive

I could write a book
I cant believe that you're in
love with me
I didn't know what time it
was
I fall in love too easily
I get a kick out of you
I get along without you
I got it bad
I got rhythm
I guess I'll hang my tears
out to dry
I left my heart in San
Francisco
I love Paris
I love you
I remember you
I should care
I thought about you
I wish you love
I'll be around
I'll be seeing you
I'll never smile again
I'll remember April
I'm confessin that I love
you
I'm glad there is you
I'm gonna sit right down
and write myself a letter
I'm old fashioned
I've got a crush on you
I've got the world on a
string
I've got you under my skin
I've heard that song before
I've never been in love
before
If I should lose you
Imagination
In the still of the night

In the wee small hours of
the morning
Indian summer
It had to be you
It could happen to you
It's a blue world
It's only a paper moon

Just friends
Just in time
Just one of those things

L.o.v.e
Let's fall in love
Long ago and far away
Love for sale
Lullaby of the leaves
Lullaby of Birdland

Mack the knife
Mean to me
Misty
Moon and sand
Moondance
Moonglow
Moonlight becomes you
Moonlight in Vermont
The more I see you
My foolish heart
My funny valentine
My one and only love
My romance
My way

Nearness of you
Nancy with the laughing
face
New york New York
Nice and easy
Nice work if you can get it
Night and day

Old devil moon
Oh look at me now

On a slow boat to China
On the street where you
love
On the sunny side of the
street
One for my baby
The one I love
Orange colored sky
Our love is here to stay
Out of nowhere
Over the rainbow

People will say we're in
love
Polka dots and
moonbeams
Poor butterfly

Route 66
Round midnight

Satin doll
Shadow of your smile
Skylark
Smile
Softly as in a morning
sunrise
Someone to watch over
me
Stars fell on Alabama
Stella by starlight
Stolen moments
Stardust
Stormy weather
Strangers in the night
Summer wind
Summertime
Sway

Taking a chance on love
Tangerine
Tea for two
Teach me tonight
That old black magic

That old feeling
That's life
There will never be
another you
There's a small hotel
These foolish things
They can't take that away
from me
They say it's wonderful
The things we did last
summer
Time after time
Too close for comfort
Too young to go steady

Unforgettable

Walking my baby back
home
Waltz for Debby
Wave
The way you look tonight
What is this thing called
love
What'll I do
What's new
When sunny gets blue
Where are you
Where or when
Will you still mine
Willow weep for me
Witchcraft
Wrap your troubles in
dreams

Yesterdays
You and the night and the
music
You go to my head
You make me feel so
young
You stepped out of a
dream

You're nobody till
somebody loves you
You'd be so nice to come
home to
You don't know what love
is
You're the top
You turned the tables on
me
Zing went the strings of my
heart
