BIOGRAPHY

01 MUSIC TAILORED TO EACH OCCASION

Jazz En Vogue brings sophisticated jazz, cultivated swing, bossa nova, pop and soul to weddings, corporate celebrations, business openings and private events. Each performance is adapted to the occasion, from champagne receptions and dinners to birthdays, anniversaries, press conferences and professional gatherings.

The regular quartet combines vocals, tenor saxophone, guitar and double bass. A trio and an expanded quintet offer alternative line-ups, allowing the ensemble to match the setting and the client's preferences.
