

Bio - COUNTERFLOW

Since Counterflow burst onto the scene, they have fast become one of the most in-demand bands on the circuit averaging over 200 gigs per year! With their world-class musicians, stunning lead vocals and a wealth of experience in playing all manner of weddings and corporate engagements both in the UK and internationally, you know you're in the safest of hands.

Their secret lies in their versatility, which makes them the perfect choice for almost any occasion. Their incredible lead singer has been wowing audiences with her impressive and versatile vocals which allow the band to pull off a huge range of songs that others might avoid. Add in great lead vocals from the rest of this talented bunch and you can't go wrong! Whether you're after a classic soul/Motown set or a contemporary rock/pop/chart set, an elegant affair or a real rock 'n' roll gig, you'll receive a perfectly crafted show with unrivalled vocals and musicianship that oozes class from every single band member.

No matter what the occasion, The Flow can supply it all. Their signature 5-piece line-up can be supplemented with a horn section on request and they also offer equally impressive duo, trio and 4-piece line-ups for smaller events. They are also an experienced Rockaoke band with their front-girl doubling as a superb compere and have a dedicated, carefully selected song list designed specifically for that purpose.

The band's wealth of experience and talent is evident from the off and individually, band members have worked and continue to work with the likes of Sir Tom Jones, Rod Stewart, Blondie, Westlife, Katherine Jenkins, Boy George, Sugababes, Chicane and The British Philharmonic Orchestra to name but a few. Counterflow members have also graced venues such as The Royal Albert Hall, The NIA, The ICC, The Roundhouse, Old Trafford, Ricoh Arena and various West End theatres including The Aldwych, Her Majesty's and The RSC.

Internationally, the band have been invited to perform at a number of prestigious venues and events ranging from The Intercontinental Muscat's NYE 2016 80s Tropicana Party in Oman to an intimate wedding for just 12 guests at the stunning Castello di Vicarello in Tuscany. Other international venues they have performed at include: The Burj Al Arab Hotel in Dubai; The Palace Hotel, Switzerland; The Pudong Shangri-La, Shanghai; The Royal Orchid, Bangkok; The Grand Mezzo Hotel, Lake Como; Cannes Film Festival; Formula One Power Boats, Dubai and a residency at One and Only Reethi Rah, The Maldives.

The band are incredibly experienced in dealing with venues that have sound restrictions and noise limiters and are able to adapt accordingly. Their dedicated sound engineer ensures the smooth running of the evening and is able to monitor and control the sound without affecting the quality of the performance. The band can also use an electric drum kit should the venue/client specify this requirement.
