Monsay Acoustic was created to offer something interesting and of the highest quality for special events and celebrations. They're create relaxing, stylish & soulful atmosphere. Monsay Acoustic is ideal for either background music or something a little more upbeat in the evening, whether it's a birthday party or corporate event, their professional jazz duo are certain to add a touch of class to event.

The idea of creating such a duo arose when they realized the whole romance of acoustics, because it is not always necessary to perform on stage with the participation of the band and with loud equipment. Therefore, such an acoustic project was invented, in which dance, incendiary, and romantic songs are performed, but in softer sound. The Duo don't copy originals! They create our own interpretation of songs in a combination of different genres! By the nature of the sound, their concert programs are suitable both as an easy music accompaniment for events, and in the format of a bright chamber show!

The Duo have a wide experience working with different musicians, bands, trio and duo in various bars, restaurants, hotels like Jinan Hilton Hotel (China), Sheraton Hotel (China), Kempinski Hotel (China), Marriott Beijing Changping Hotel (China), InterContinental Hotel Zhuhai (China) and etc.

The Duo available for booking in hotels, lobby lounge, bars, restaurants.
