Playlist

25 minutes

a thousand years
another day in paradise
as long as you love me
autumn leaves
baby can I hold you
back at one
bad day
ballade pour Adeline
beauty and the beast
best part
blue bossa
can't help falling in love
can't take my eyes off you
can you feel the love tonight
canon
don't it make my brown eyes blue
don't know why
don't speak
endless love
eternal flame
everything I do
flashlight
fly me to the moon
god gave me you
halo
have I told you lately
hello
how do I live
I don't wanna miss a thing
I finally found someone
I swear
if I ain't got you
if we hold on together
if I were a boy
it will rain
just the two of us
just the way you are
kiss me
kiss the rain
la vie en rose

leave the door open
let it be me
listen
love me like you do
loving you
marriage d'amour
maybe
mirror
misty
moon river
nothing's gonna change my love for you
oaint my love
perfect
photograph
reflection
right here waiting
rivers flow in you
saving all my love for you
say you won't let go
shape of you
she
sleeping child
someone like you
someone you loved
sorry seems to be the hardest word
stand by me
still a friend of mine
souvenir d'enfance
take a bow
take me home
the girl from Ipanema
the man who can't be moved
thinking out loud
this I promise you
too good at goodbyes
turning table
Versace on the floor
when I was your man
when you say nothing at all
you're beautiful
etc.
