

Piano Bar Entertainer Bob Style made a name for himself, performing on the world's leading luxury cruise ships for more than fifteen years. After he earned a university degree in musicology, Bob entertained thousands of passengers on American cruise lines like Holland America Line, Carnival Cruise Lines, Windstar Cruises, Paul Gauguin Cruises and many more. He also successfully played on European cruise lines such as TUI Cruises, Phoenix, Passat, Plantours and Hapag Lloyd Cruises.

Bob has an endless repertoire of over 1200 songs for guests to request from. He sings in English, German, Dutch, Italian and a few other languages. Bob can play instrumental background music during cocktail hours or go wild and crazy, singing Jerry Lee Lewis to create a rocking piano bar atmosphere. Sets can be performed acoustic or with backing tracks. Bob also offers countless different themes like "The Best of Elton John", "A Tribute to Billy Joel", "Elvis Presley Hour", "Country Night", "Rat Pack Special" and many music trivias like "Name That Tune". Current visa, medical and STCW trainings!
